After the panelists responded to the issue of housing, Ms. Peg Jacobs, the Rev. Dr. Alfred Williams, and Dr. Egmont went into the audience with microphones, asking for input and, if they wished, questions for the panelists on stage. Following the presentation, the Rev. Appendix A - RESOLUTION ON HUMAN RIGHTS

We are exiles and pilgrims in this land. We have been banished from our first home, the garden of creation where we were meant to live in harmony with God, with each other and with all creation. We carry with us the memory of that place; we long to return, but the way is barred. Our hope is in the future--we are pilgrims searching for the land promised to us. We have been given a glimpse of that far country where we may again enjoy the community that is home. The vision of shalom beckons us and encourages us to take heart as we traverse the distance "between the times."

That distance has already been telescoped, for, in Jesus Christ, the new order has been declared in both word and deed. We who are baptized into new life in Christ are called to embody the ethos of the new creation, the ministry of Jesus. As we join Christ's mission of establishing shalom--feeding the hungry, clothing the naked, offering hospitality to the stranger--we share in the new creation. As the first creation was given to all people, the new creation is intended for all the earth.

Jesus, in fulfilling the law and the prophets, gave substance to the vision. The poetry of the prophets was borrowed by Jesus to inspire our hearts and souls for the remainder of the journey. In the words of Isaiah, this is the order of our new home:

"No more shall be heard in it the sound of weeping and the cry of distress. No more shall there be in it an infant that lives but a few days, or an old man who does not fill out his days. They shall build houses and inhabit them; They shall plant vineyards and eat their fruit. They shall not build and another inhabit; they shall not plant and another eat; for like the days of a tree shall the days of my people be, and my chosen shall long enjoy the work of their hands. They shall not labor in vain, or bear children for calamity." (Isaiah 65:19b-23)

WHEREAS all human beings, possessing the dignity of being creations of God's love and will, are entitled, as a matter of fundamental human right, to an existence worthy of human dignity; and

WHEREAS the Declaration of Independence proclaims life, liberty, and the pursuit of happiness to be inalienable human rights, and an adequate standard of living is an absolutely necessary prerequisite to the exercise of those rights; and

WHEREAS the Universal Declaration of Human Rights proclaimed by the United Nations in 1948 includes the right to work, the right to a standard of living adequate for the health and well-being of every family, including food, clothing, housing, and medical care, and the right to security in the event of unemployment, as fundamental and inviolable human rights; and

WHEREAS God's gifts are given for the sustenance and enjoyment of all people, not only those privileged enough or able enough to earn them in a competitive system; and any economic system, which deprives some of the most basic human needs while others acquire excessive and wasteful wealth, must be regulated and corrected since such conditions offend human dignity or distort God's justice; and

WHEREAS it is the legitimate role and responsibility of government to guarantee and protect the human rights of its people;

THEREFORE BE IT RESOLVED that the 187th Annual Meeting of the Massachusetts Conference of the United Church of Christ calls for the passage of an amendment to the United States Constitution guaranteeing these fundamental human rights to all people:

The right to the opportunity to work for a just and adequate wage, The right to protection from the results of unemployment, The right to safe and adequate housing, The right to sufficient and adequate clothing, The right to basic health care and necessary social services;

BE IT FURTHER RESOLVED that we commit our Conference and encourage our churches and people to work actively for the development and passage of such an amendment; and

BE IT FURTHER RESOLVED that in addition to political action we commit our conference and our churches to preach to all people the gospel of Jesus Christ, by whose transforming power all are called to lead lives of justice, compassion and to uphold the rights of others; and

BE IT FURTHER RESOLVED that this annual meeting submits the substance of this resolution to the 16th General Synod of the United Church of Christ and commends its adoption.

* Appendix B - RESOLUTION FOR SUPPORT OF A NUCLEAR RISK REDUCTION PROGRAM

The concept of nuclear crisis control centers was developed by the Nuclear Negotiation Project of Harvard Law School. In September, 1982, the U.S. Arms Control and Disarmament Agency asked them to apply their ideas to a hypothetical crisis. What emerged from this opportunity was a detailed analysis of how a future crisis might occur and a strategy the U.S. could employ to defuse it while at the same time protecting its vital interests. Six measures were devised that could stabilize and, even better, prevent a nuclear confrontation: 1) Agreed upon crisis procedures; 2) Nuclear crisis control centers; 3) Crisis consultation period; 4) Nuclear risk reduction talks; 5) Presidential crisis control seminars; and 6) Enhanced third party roles in defusing regional conflicts.

WHEREAS Christ celebrates and calls blessed every person "who works for peace" (T.E.V.), calling them God's beloved children (Matthew 5:9); and

WHEREAS Christ left us the Spirit of Peace to enable us to have "courage in the struggle for justice and peace..." (Statement of Faith), assuring us that "Peace is what I leave with you; it is my own peace that I give you" (John 14:27 TEV); and

WHEREAS we live in a time when miscalculation, misunderstanding, or possession of nuclear arms by a terrorist group could very likely precipitate a sudden increase in tensions and the risk of a nuclear confrontation between the U.S. and the U.S.S.R., creating a situation that neither side ever intended; and

WHEREAS President Reagan proposed in September 1984, that military leaders of both sides schedule high-level contacts to develop better understanding and to prevent potential tragedies from occurring; and

WHEREAS in June 1984, the U.S. Senate unanimously (82-0) adopted an amendment to the 1985 Department of Defense Authorization that proposed the establishment of U.S. and U.S.S.R. Crisis Control Centers; and

WHEREAS the establishment of crisis control centers in Washington and Moscow could reduce the risk of increased tensions, nuclear confrontations, and accidental nuclear war by maintaining trained staff from each nation who would monitor crises around the clock, relaying vital information in person, as well as by telephone, computer, and teleconferencing; and

WHEREAS this crisis control center would, as one step to rid our world of nuclear threat, by reducing the risk of accidental nuclear war, thereby promote the sacred cause of peace for all of God's people and creation itself;

THEREFORE be it resolved that the 187th Annual Meeting of the Massachusetts Conference of the United Church of Christ urge the UCC Office of Church in Society to commend the Fresident's support for such nuclear risk reduction measures and urge him to pursue negotiations of these measures with the Soviet Union so that crisis control centers could be established in both nations; and

BE IT FURTHER RESOLVED that copies of this resolution be sent to our U.S. Senators and Representatives; and

BE IT FURTHER RESOLVED that the 187th Annual Meeting requests our Conference Council for Mission Outreach and Social Responsibility to seek ways to educate our local churches about the urgent need for this nuclear risk reduction program so that they could also exhort our government to act now.

* Appendix C - GUIDELINES FOR CLERGY COMPENSATION 1987

The 187th Annual Meeting of the Massachusetts Conference of the United Church of Christ, concerned with the growth of its churches and the compensation of its ordained leaders, commends the effort of the local churches in endeavoring to reach the goals recommended in Guidelines for Clergy Compensation 1986.

The 187th Annual Meeting recommends:

- (1) that churches pay a minimum salary of \$15,500 for a full-time pastor;
- (2) that churches not at the new minimum salary work toward the minimum and also at improving C, D, E, and F below;
- (3) that churches already at or above the new minimum and also providing for C through F give at least a cost-of-living increase.

(PLEASE NOTE that these abbreviated guidelines are designed to be used in conjunction with <u>Guidelines for Clergy Compensation</u> booklet from the Conference Office.)@@

A. CONSIDERATIONS FOR DETERMINING CLERGY COMPENSATION:

While the ministry is a unique profession requiring special patterns of financial compensation, several overall factors can be considered in determining the level of support for clergy. The total compensation package could justly be comparable to the median income of the parish and perhaps be on a par with that of the local high school principal, showing consideration for years of service and special skills and training and including annual cost-of-living increases. The federal tax structure is unique for clergy and the compensation package can be designated in a way to maximize the pastor's income. 1

B. CASH SALARY:

The cash salary (not including housing and other expenses) ought to be no less than \$15,500 for a full-time person in ordained ministry; less than \$15,500 would indicate a person called to part-time work. This is a modest increase of approximately 3.3% over the minimum voted for 1986.

C. SOCIAL SECURITY ALLOWANCE:

The church should provide an amount equal to at least one-half the self-employment SS tax of 12.3%; such an allowance would be taxable income but would ease the burden of the big SS tax bite.

D.* HOUSING THAT PROVIDES:

- (a) a furnishings allowance, all utilities, and an equity development plan for those living in a parsonage; OR
- (b) a housing allowance for those who want to rent or own their homes.
- E. BENEFITS SHOULD INCLUDE:
 - a pension plan, with a church contribution of 14% of salary basis, which is (a) at least 130% of cash salary plus any furnishings allowance for those living in a parsonage, or (b) cash salary plus housing allowance for those with such allowance;
 - 2. a family protection plan, including disability insurance, which is an additional 1% of the base used for the annuity;
 - 3. group life insurance, which costs \$50 per year;

2

- 4. medical and health insurance, plus dental care, as provided through the United Church of Christ;
- 5. continuing education funding;
- 6. sabbatical education funding;
- 7. holiday and vacation time;
- 8. maternity/paternity paid leave.

F. ALL PROFESSIONAL EXPENSES:

These expenses are the cost of "doing business" for the church and should be paid directly or fully reimbursed and not considered salary. If a voucher system is used for reimbursement, rather than a stipulated amount for expenses, the clergy person need not declare either the reimbursement nor the expenses for income tax purposes. Included are:

- (1) books, professional subscriptions;
- (2) professional memberships;
- (3) travel expenses and car allowance (church-owned car or travel reimbursement);
- (4) any other expenses incurred by the pastor and directly attributable to the the exercise of ministry.

According to the IRS, "housing" includes furnishings and the miscellaneous running expenses (everything except food and maid service) of a home, including appurtenances such as a garage, sidewalks, front and back yards.

Appendix D - RESOLUTION ON INCARCERATION OF WOMEN IN MASSACHUSETTS

WHEREAS women presently incarcerated in Massachusetts are sent to Massachusetts Correctional Institution (MCI) Framingham, whether they are awaiting trial, serving a short sentence, or serving a sentence of more than 2 1/2 years; while men in Massachusetts usually await trial in the jail in their own oounty and serve sentences in that jail for up to 2 1/2 years; and

WHEREAS the great distance which often exists between a woman's home and MCI Framingham causes great difficulties for her in obtaining the help of legal counsel and in maintaining relationships with family members; and

WHEREAS the information above clearly demonstrates that the Massachusetts correctional system discriminates against women who are awaiting trial and serving short sentences; and

WHEREAS we applaud the work of groups providing special services for all women at MCI Framingham, caring for the special health needs, program needs and family situations of women; and

WHEREAS WE RECOGNIZE that providing such services at every county jail in Massachusetts will require considerable commitment; and

WHEREAS the <u>182nd Annual Meeting</u> of the Massachusetts Conference of the United Church of Christ urged the increased use of restitution and mediation practices with offenders and a greater use of community service, work release, and furloughs as alternatives to incarceration;

THEREFORE BE IT RESOLVED that the 187th Annual Meeting of the Massachusetts Conference of the United Church of Christ, in consideration of the above, strongly urges that the Department of Correction make available facilities in each county or group of counties so that women may be incarcerated there while they await trial, serve short sentences, and/or are in a pre-release program.

We urge associations, churches and members to become involved in discussion and action toward the resolution of the difficult problems of incarcerated women in Massachusetts and to petition state and county government officials for a more humane approach as solutions become evident.

We suggest that a Task Force on Prisons be established in the Conference under CMOSR to implement this resolution, so that facts may be gathered from the whole state and that further recommendations may be made and acted upon.

BE IT FURTHER RESOLVED that copies of this resolution be sent to Governor Michael Dukakis, Commissioner of Corrections Michael Fair, Senate President William Bulger, House Speaker George Keverian, and to Senator Paul Harold and Representative Sal DiMasi, Chairpersons of the Senate and House Ways and Means Committees; and to principal Massachusetts media.

Appendix E - RESOLUTION CONCERNING FELLOWSHIP DUES

INTRODUCTION

In the interest of fairness and justice and to provide a more uniform basis for determining Fellowship Dues than the present membership basis (which raises confusing and difficult questions concerning "active" and "inactive" members) and because other UCC Conferences (e.g. Connecticut) have adopted a budget-percentage basis, we, the members of the Trinitarian Congregational Church of Northfield, Massachusetts, present the following proposal.

RESOLUTION

BE IT RESOLVED THAT, in order to establish a more equitable system for payment of Fellowship Dues, the 187th Annual Meeting directs its Board of Directors to appoint a committee to study and make recommendations as to the possibilities of changing the method of assessment of Conference Fellowship Dues from one based on membership to one based on a percentage of a church's yearly operating expense or such other methods the Committee may wish to recommend; and

BE IT FURTHER RESOLVED that the Board of Directors shall present its recommendations to all member churches for their study no later than February 15, 1987 and to the Annual Meeting of the Conference in 1987.

* Appendix F - RESOLUTION ON A SUNDAY MORNING RELIGIOUS PROGRAM

WHEREAS we who are the church and who live in this world are called to have the spirit of Jeremiah, who said that the word of God for the people, a word of reality sometimes harsh but always liberating, was like "A fire shut up in my bones" which he could not hold inside of him (Jer. 20:9 RSV); and

WHEREAS we are called in the Great Commandment to baptize all people in the name of the Father, Son, and Holy Spirit and to teach them all of Christ's commandments (Matt. 28:19-20 RSV); and

WHEREAS we and the churches with whom we have our closest fellowship do not have a witness in what has become a popular religious outlet in this country, the nationally-syndicated television networks on Sunday morning; and

WHEREAS this situation may be contributing to a weakening of the mainline Protestant churches in America, as the absence of a national spiritual leader(s) may cause confusion among laity and the unchurched who are viewing speakers presently using nationally-syndicated television on Sunday morning; and

WHEREAS a greater diversity in media may support the ministry of the United Church of Christ and may help reduce confusion in those who strive to be faithful to the gospel as it speaks to our time; and

WHEREAS increased awareness of the impact of television media has led many Massachusetts clergy and laity to become independently involved in this area;

THEREFORE BE IT RESOLVED that the 187th Annual Meeting of the Massachusetts Conference urges the Office of Communication and the United Church Board of Homeland Ministries' Division of Evangelism of the United Church of Christ to consider the feasibility of setting up, with or without the participation of other denominations, a nationally syndicated Sunday morning program, closed-captioned for the hearingimpaired; and

BE IT FURTHER RESOLVED that funding for this television program shall be from donations requested on the program in a discreet manner, if no other funding sources are available; and

BE IT FURTHER RESOLVED that a "Television in the Ministry Task Force" be established by the Massachusetts Conference of the United Church of Christ for purposes of conducting a state-wide survey of existing television involvement among member churches; for relating to the United Church of Christ Office of Communication and the Division of Evangelism of the Board for Homeland Ministries; for providing resource information for member churches and initiating exploration on ways in which television and the ministry can interact more effectively; and

BE IT FURTHER RESOLVED that the 187th Annual Meeting of the Massachusetts Conference of the United Church of Christ sends this resolution to General Synod XVI and recommends its approval by that body.

The Rev. Jonathan C. Tetherly, Third Federated Congregational Church, Chicopee The Rev. Peter Kakos, Second Congregational Church, Westfield

Appendix G - RESOLUTION ON CHOICE

WHEREAS the Massachusetts state legislature, on April 30, 1986, ruled that a certain amendment which would restrict women's reproductive choice and foster unequal access to abortion and related health care services will be on the November 4, 1986 ballot for consideration by Massachusetts voters; and

WHEREAS the freedom of conscience and the rights of women as religious and moral decision-makers are at stake in this amendment, and in particular the rights of poor women are threatened; and

WHEREAS the 8th, 9th, 11th, 12th and 13th General Synods of the United Church of Christ resolved to support women's rights to reproductive choice, and the 183rd Annual Meeting of the Massachusetts Conference of the United Church of Christ also supported a resolution on Freedom of Choice and Abortion;

THEREFORE BE IT RESOLVED that the 187th Annual Meeting of the Massachusetts Conference of the United Church of Christ:

- (1) re-affirms the right to procreative choice for all women; and
- (2) urges all member congregations to promptly study the proposed anti-choice referendum and its long-term implications; and
- (3) urges all members and churches to vote to defeat this amendment to the state constitution and any legislation which seeks to restrict the religious liberty and freedom of conscience of any woman in personal decisions regarding procreativity; and
- (4) commits itself and urges member churches to work ecumenically in a public context to defeat this amendment.

WHEREAS the recent dramatic escalation of violence and oppression, including direct action against the churches in South Africa, once again calls us to new levels of response; and

WHEREAS we share culpability in the historical development and sustaining of the system of apartheid and feel as Christian people a deep sense of solidarity with and commitment to those struggling to break the chains of this oppression;

WHEREAS the Massachusetts Conference, United Church of Christ has already voted a policy of divestment from companies doing business in South Africa; and

WHEREAS the General Synod of the United Church of Christ has also called upon all its instrumentalities to divest; and

WHEREAS the Pension Boards of the United Church of Christ last week reaffirmed its unwillingness to implement a policy of complete divestment consistent with our deepest Christian commitment; and

WHEREAS a special South Africa Free Fund offered as a separate option to normal Pension Board investments is an unacceptable and inadequate alternative;

THEREFORE BE IT RESOLVED that the 187th Annual Meeting of the Massachusetts Conference, United Church of Christ expresses its outrage and profound dissatisfaction with the Pension Fund's intransigence and demands implementation of the General Synod policy.
